INTERVIEW SUMMARY

Sir:

Foreign priority under 35 U.S.C. § 119 was properly claimed on July 15, 2003 and a certified copy of Korean Patent Application No. 2002-46599 was also submitted on July 15, 2003. Receipt of the certified copy was not acknowledged in the Notice of Allowability. During a telephone interview with the examiner on April 7, 2009, Applicant's representative pointed out this shortcoming to the examiner, who indicated that he would correct this with the USPTO's Office of Publications.

Respectfully Submitted,
